IMPORTANT INFORMATION

Reservations and Payments

A signed agreement and the applicable nonrefundable reservation retainer are required to reserve an event date and time. The retainer is applied toward the package balance and is not an additional charge.

Payments are due according to the schedule in the event agreement. The final balance must be paid no later than 30 days before the event.

Sales tax and applicable service fees are additional. Gratuity is not included.

Refundable Incident Deposit

A separate \$300 refundable incident deposit is due one week before the event.

The deposit may be refunded following the event, less any documented deductions for damage, missing inventory, excessive cleaning, unauthorized overtime or alcohol, unpaid balances, policy violations or failure to remove personal belongings and outside decorations.

Capacity and Rental Time

Published capacities include every adult and child in attendance. Seating capacity and available dance-floor space may be affected by the approved layout, food-service areas, vendor equipment, entertainment and selected enhancements.

Rental hours include all client and vendor access, personal setup, celebration time, breakdown and removal of belongings. All guests, vendors, food, gifts, equipment and outside decorations must leave by the contracted ending time.

Additional time is subject to availability and applicable overtime charges.

Décor

Packages use eligible venue-owned inventory and are customized around the client's theme, colors, inspiration and completed design selections.

All décor is subject to availability, package eligibility and professional design approval.

Custom purchases, specialty rentals, highly labor-intensive installations and décor exceeding the package scope may require additional fees.

Declining an included service, beverage station, staffing position, décor piece or package feature does not create a discount, substitution, cash value or account credit unless expressly approved in writing.

Outside food and approved vendors are welcome. Clients are responsible for arranging catering unless food or catering is expressly included in writing.

Venue staff may provide limited food or cake assistance but do not replace a caterer or full-service catering team.
